DOWELL HOLDING GROUP

Product Catalog

“1999”

Dowell Holding Group, Inc. (DHG) was founded in **1999**. Located in Chino, California, our company has since grown into a multi-division enterprise focused on food service disposables solutions. While we specialize in disposable *products*, our operating divisions work together to provide business improvement *services*.

“**Globally Connected, Locally Selected**” is the foundation of our business. We search all over the world to find the best solutions for our customers’ needs in *their* local markets. We constantly strive to provide premium products and services without the premium prices associated with such value-added solutions. Whether you need just-in-time inventory deliveries or personalized products to promote your business, DHG is your resource partner.

DHG is large enough to support the requirements of a national chain, yet we retain the **speed** and **flexibility** to quickly solve problems that any sized business faces on a daily basis. Need a 3-color printed pizza box? We’ll provide the quote the same day. Need a custom sized pizza box? We’ll provide the die lines in matter of days, not weeks. Need inventory management for those pizza boxes? We’ll provide that as a complimentary service.

We truly appreciate the opportunity to work with you. Give us a call and let us put our resources to work. Many companies offer quality products; we do too, but with focus on **solutions**.

We look forward to hearing from you!
